Hunger Hounds Mission Statement

- *Hunger Hounds is an informal organization of Baptist lay people working together to help alleviate worldwide hunger.*
- *We believe if we give of ourselves, God will multiply our efforts as He multiplied the five loaves and two fish to feed five thousand.*
- *We believe the Christian Life Commission of the Baptist General Convention of Texas has a good plan and organizational structure for helping the most needy. Therefore, our primary goal is financial*

support of the Christian Life Commission.

- *We believe that the current rate of 40,000 childhood deaths per day from starvation is totally unacceptable and should be treated as an emergency.*
- *We believe well-informed Christians will respond generously. Therefore, our primary objective is to inform them of this dire need.*
